

# 2022 MEMBERSHIP LEVELS & BENEFITS

## WHY JOIN?

Connecticut is the only state in the nation with ongoing, collaborative efforts among three parts of the insurance ecosystem – captive insurance, traditional insurance and InsurTech. This strong captive domicile relies directly on the support of a strong trade association, and at the heart of those trade associations are its members. [Join today!](#)

## MEMBERSHIP BENEFITS

- Build knowledge and skills relating to the utilization of captive insurance for risk management through complimentary and discounted tickets to CTCIA conferences and events
- Stay up-to-date on captive industry legislative efforts in Connecticut before state and local government bodies
- Inclusion in CTCIA's exclusive online directory of captive professionals
- Support from an active and growing professional network of businesses and legislative and academic leaders involved in captive insurance
- Access to captive industry service providers who promote their services at various CTCIA sponsored events

## MEMBERSHIP LEVELS & RATES
